A GIRL?

## AN 'intimate' & GAY DIARY

This intimate and unusual diary gives us an insight into... a most peculiar person. Our gay chick is really saddled with two rather strange items. Thumb through these pages and we are sure you must agree with we, the editors.

June 14,  
Dear Diary,

So this is Hollywood Blvd.? Gosh, it isn't as groovy as I thought it would be. It is good to be away from Biloxi, just the same. I can really drag with the best of 'em out here on the Coast. If I could just have it cut off! Then I would be a real 100% girl. Perhaps someday I'll have my footprints in the cement here at Grauman's Chinese Theatre.

June 17  
Dear Diary,

After a week to look at the sights, I must look for a job or something "interesting."

June 17

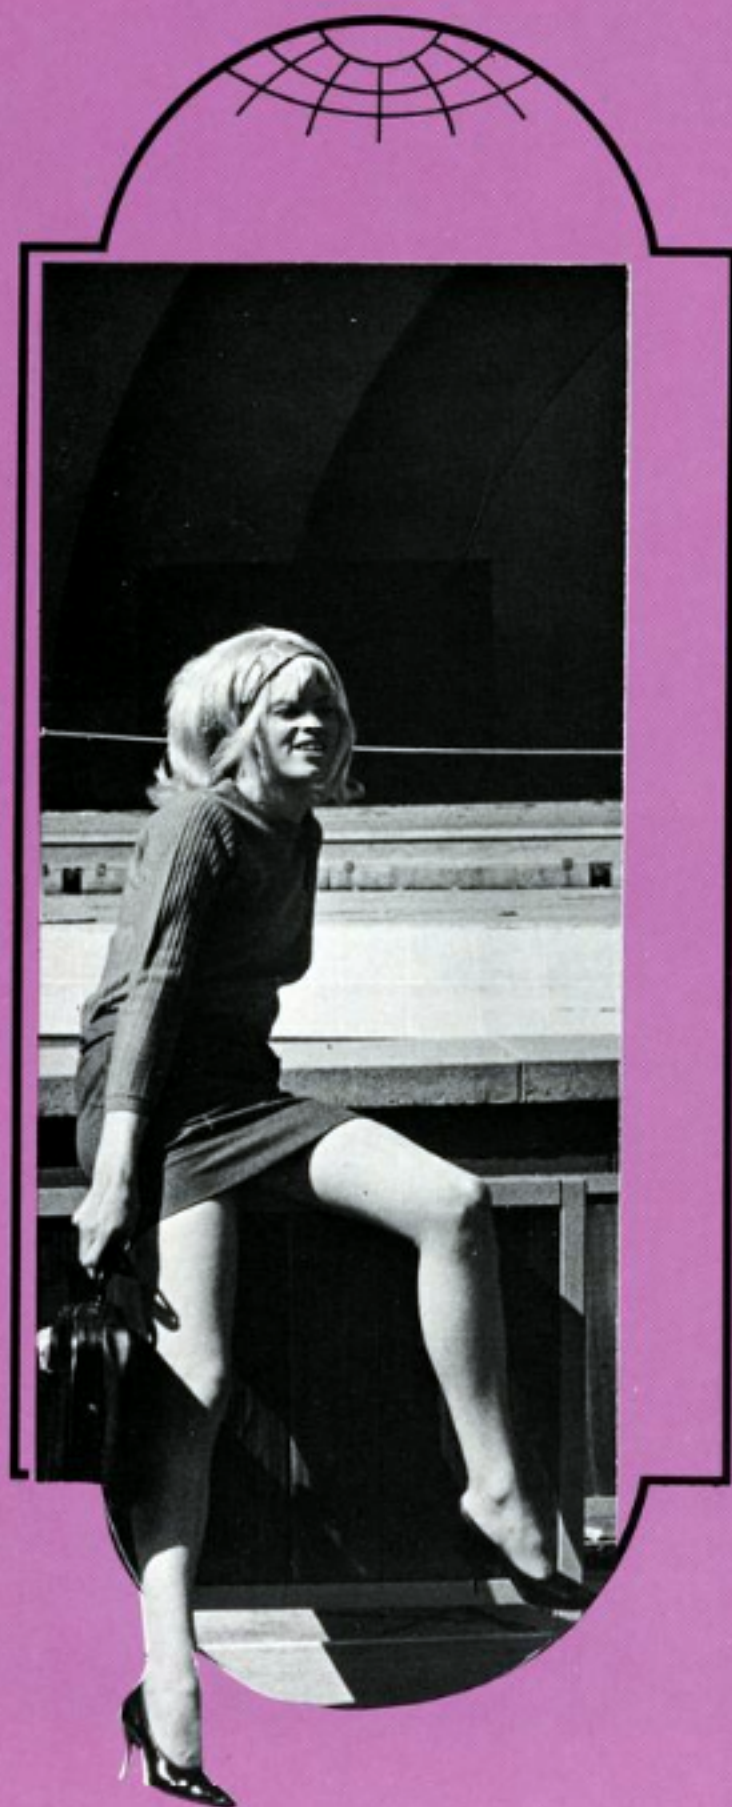

Dear Diary,

Gosh, I feel so vampish. So full of abandon and girlish delight. This Hollywood Bowl is quite a scene.

June 18

Dear Diary,

At least I've got a perfect pad. Pool, sauna room and the most gorgeous queen size bed. Biloxi was never like this. Waiting for the phone to jingle.

June 21

Dear Diary,

Well, that damn phone never did ring till this afternoon. That guy in 301 promised he would take care of my hair.

June 22

Dear Diary,

I adore my new pad. Rent is high, but a girl has to have a nice place to "entertain." It is glorious to soak up this California sun.

June 23

Dear Diary,

Heated pool and a nice pussy to play with. Biloxi, I hate to say it . . . but I'll never be back?!

June 25

Dear Diary,

I've scored a hit! He says we can have fun together.

June 26

Dear Diary,

At last — in his car. It is dreamy, black and sexy.

June 27

Dear Diary,

At last, alone with my hairdresser pal. He is a dream, and when he fixes a gal's hair . . . it is a work of art.

June 28

Dear Diary,

Terri, You've got it made. We stayed at his place till my hair was "just perfect."

June 29

Dear Diary,

Can hardly wait to see what he says when . . . the discovery is made. Each hair session we have, he gets bolder.

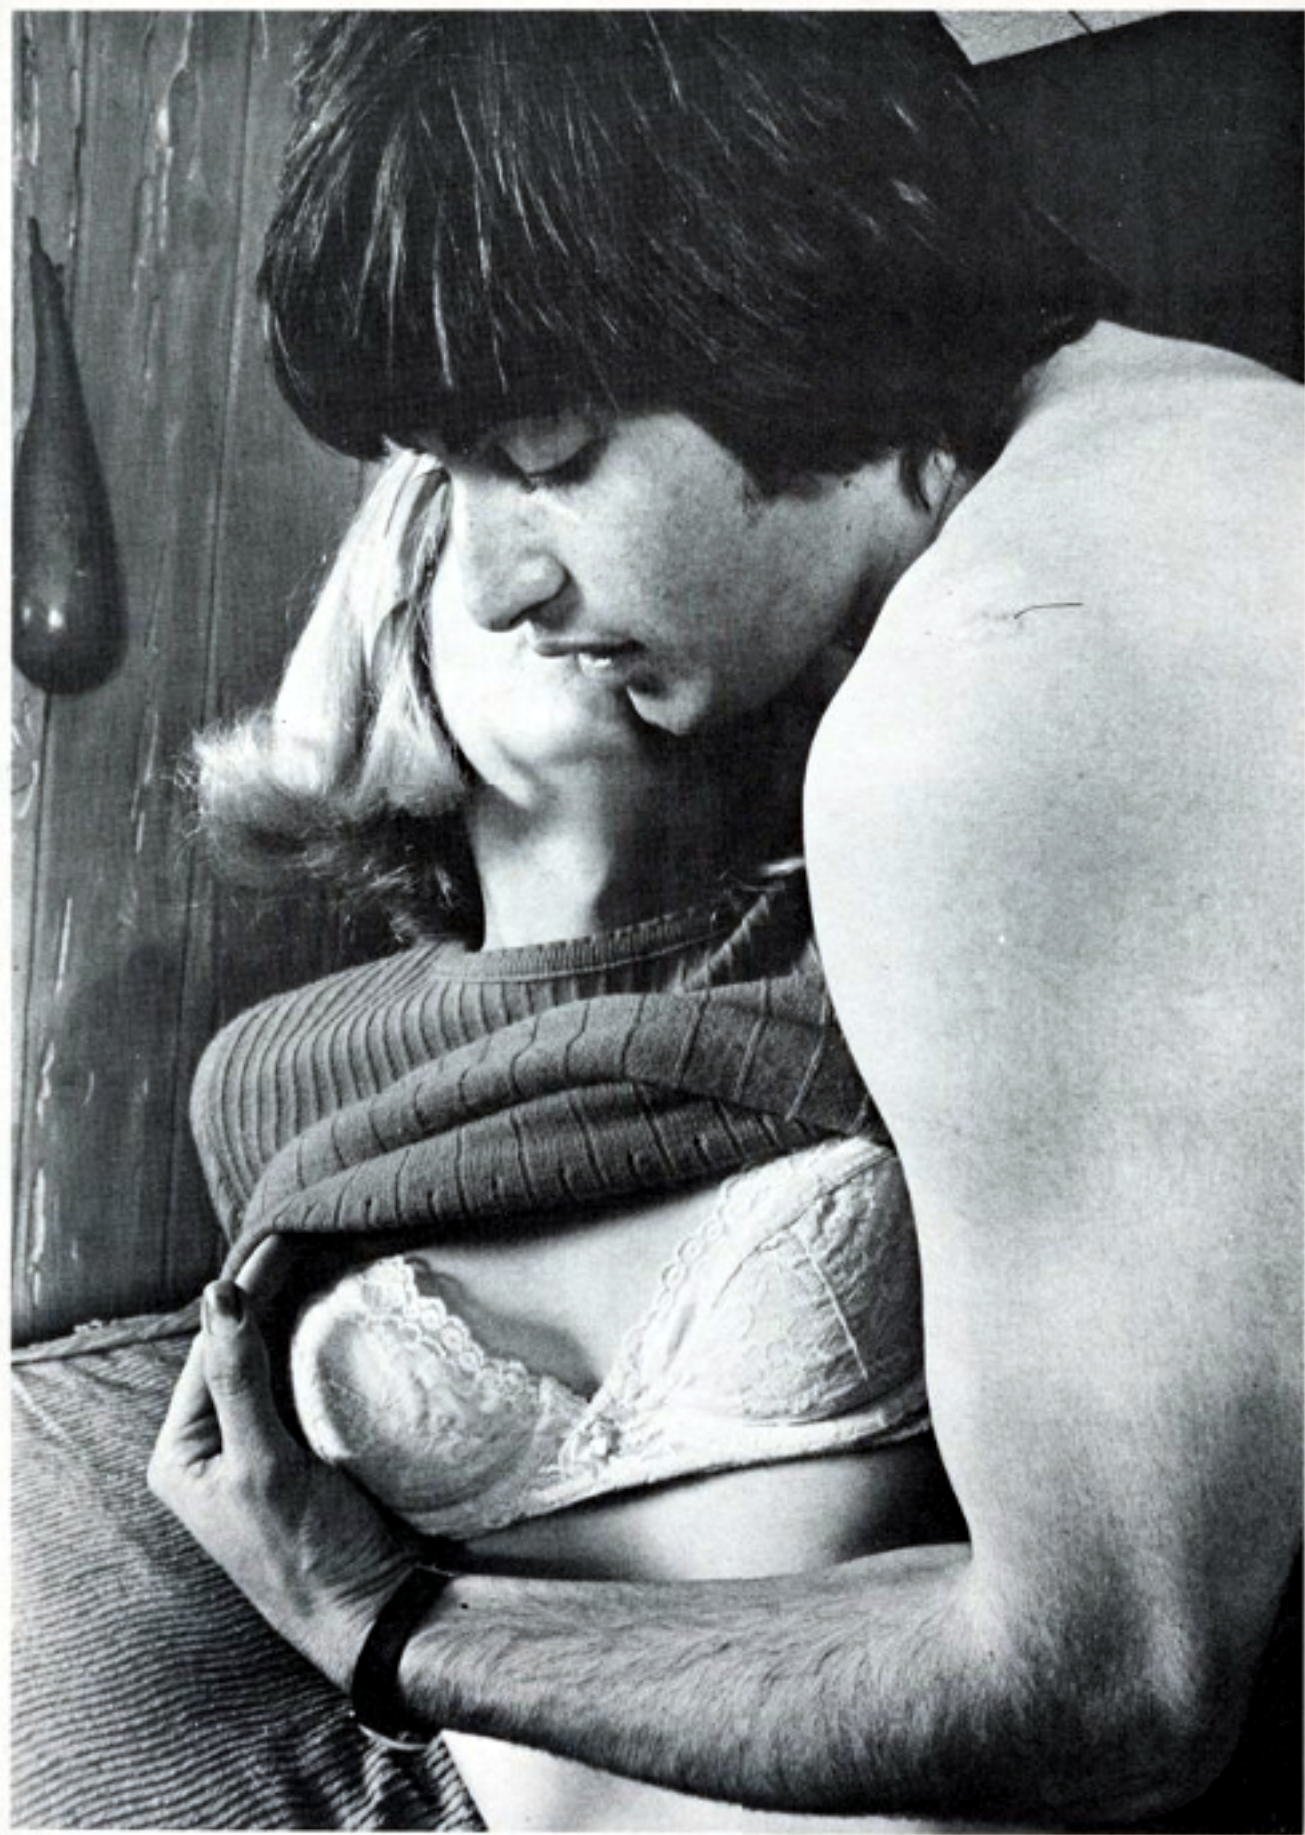

July 2

Dear Diary,

Well, this was it! He felt my thighs and his hand wandered. What a look came across his face!

July 6

Dear Diary,

Now that hairdressing is not so important . . . it is sex with all stops pulled. He wants to kiss my "discovery" and nibble on my teats. What fun I am having out here on the Coast.

July 8

Dear Diary,

It has become an everyday bed-in. I am in 301 more now than my own apartment.

July 9

Dear Diary,

Seems like I lay around waitin' for the phone most of the time. It is love at first feel. Frankie is bi anyway. Biloxi couldn't be like this wild city. I love each minute of every day.

July 10

Dear Diary,

Yes, I am blessed with the best of both worlds. It is what's up front that counts. Smooth skin . . . must get some more of that keen skin-dew cream.

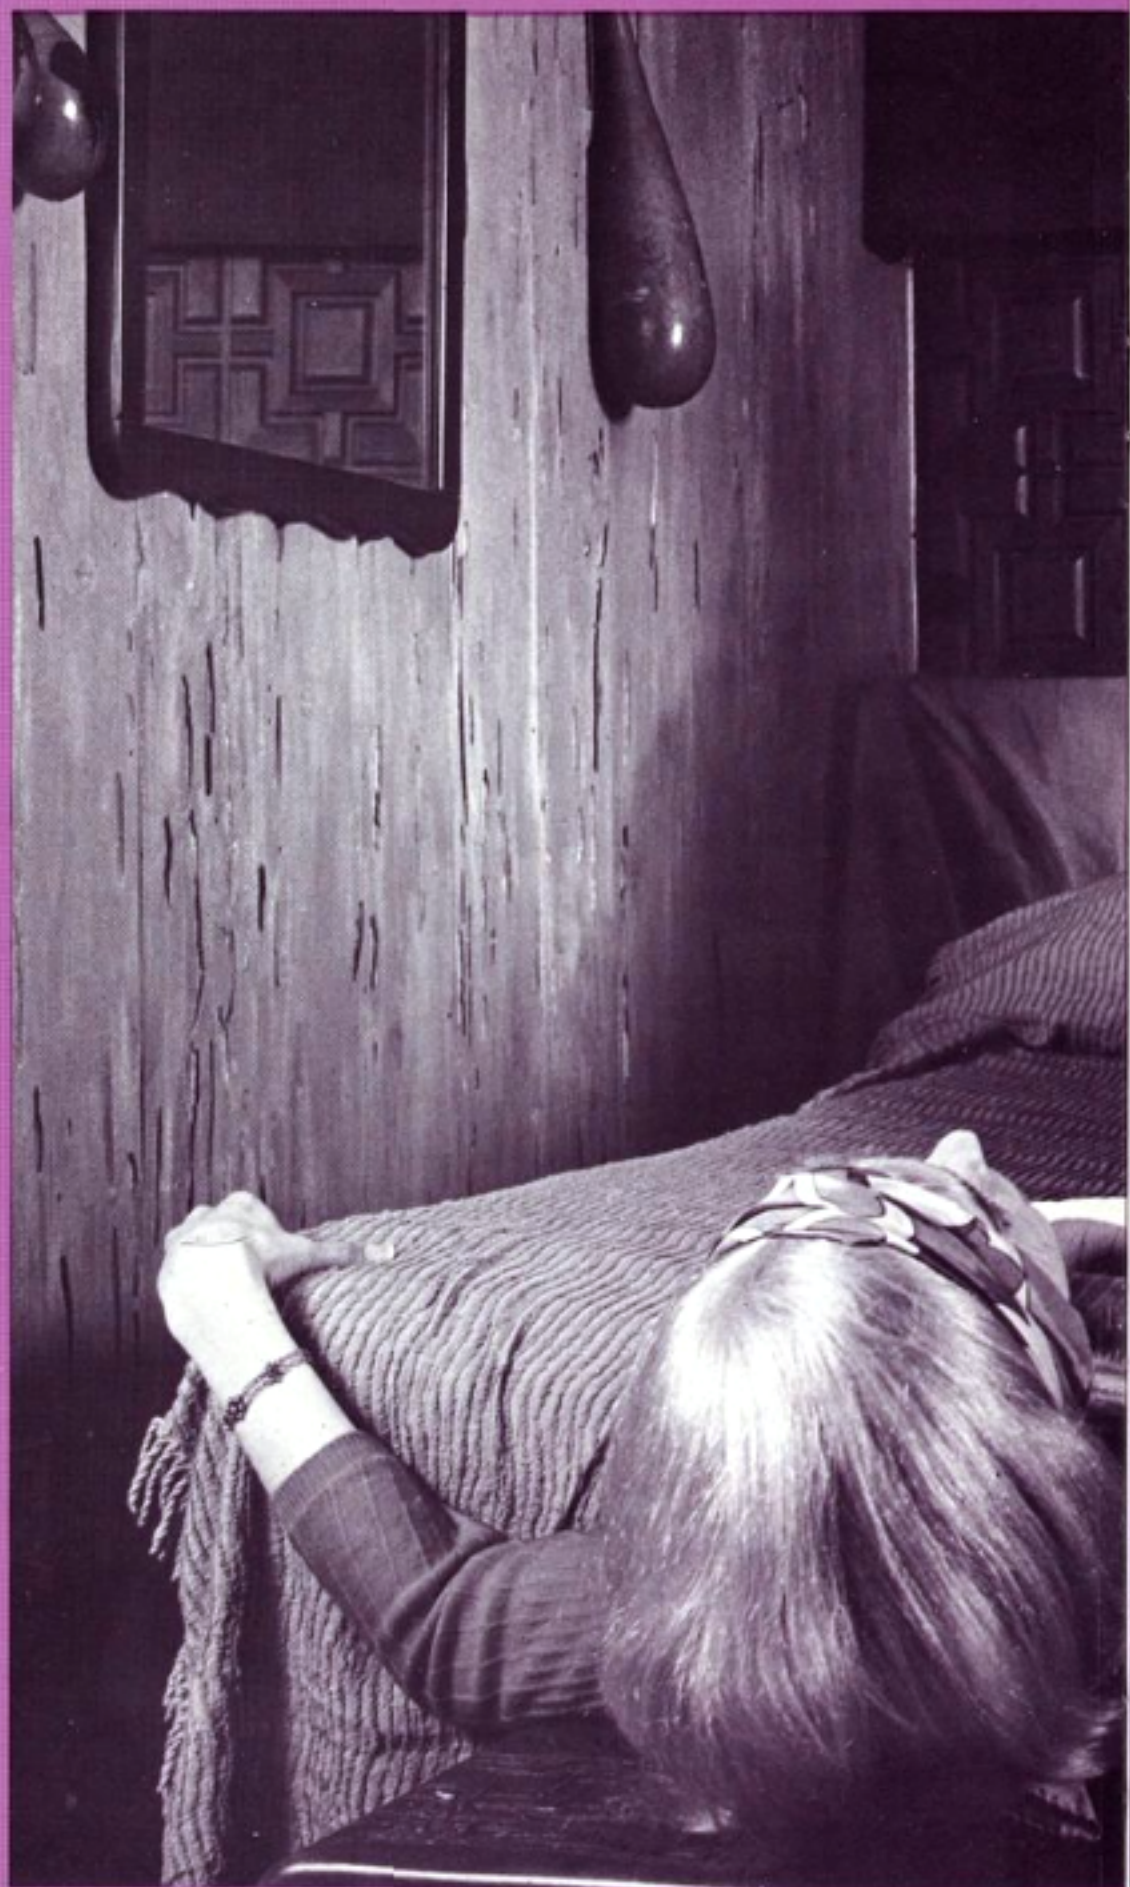

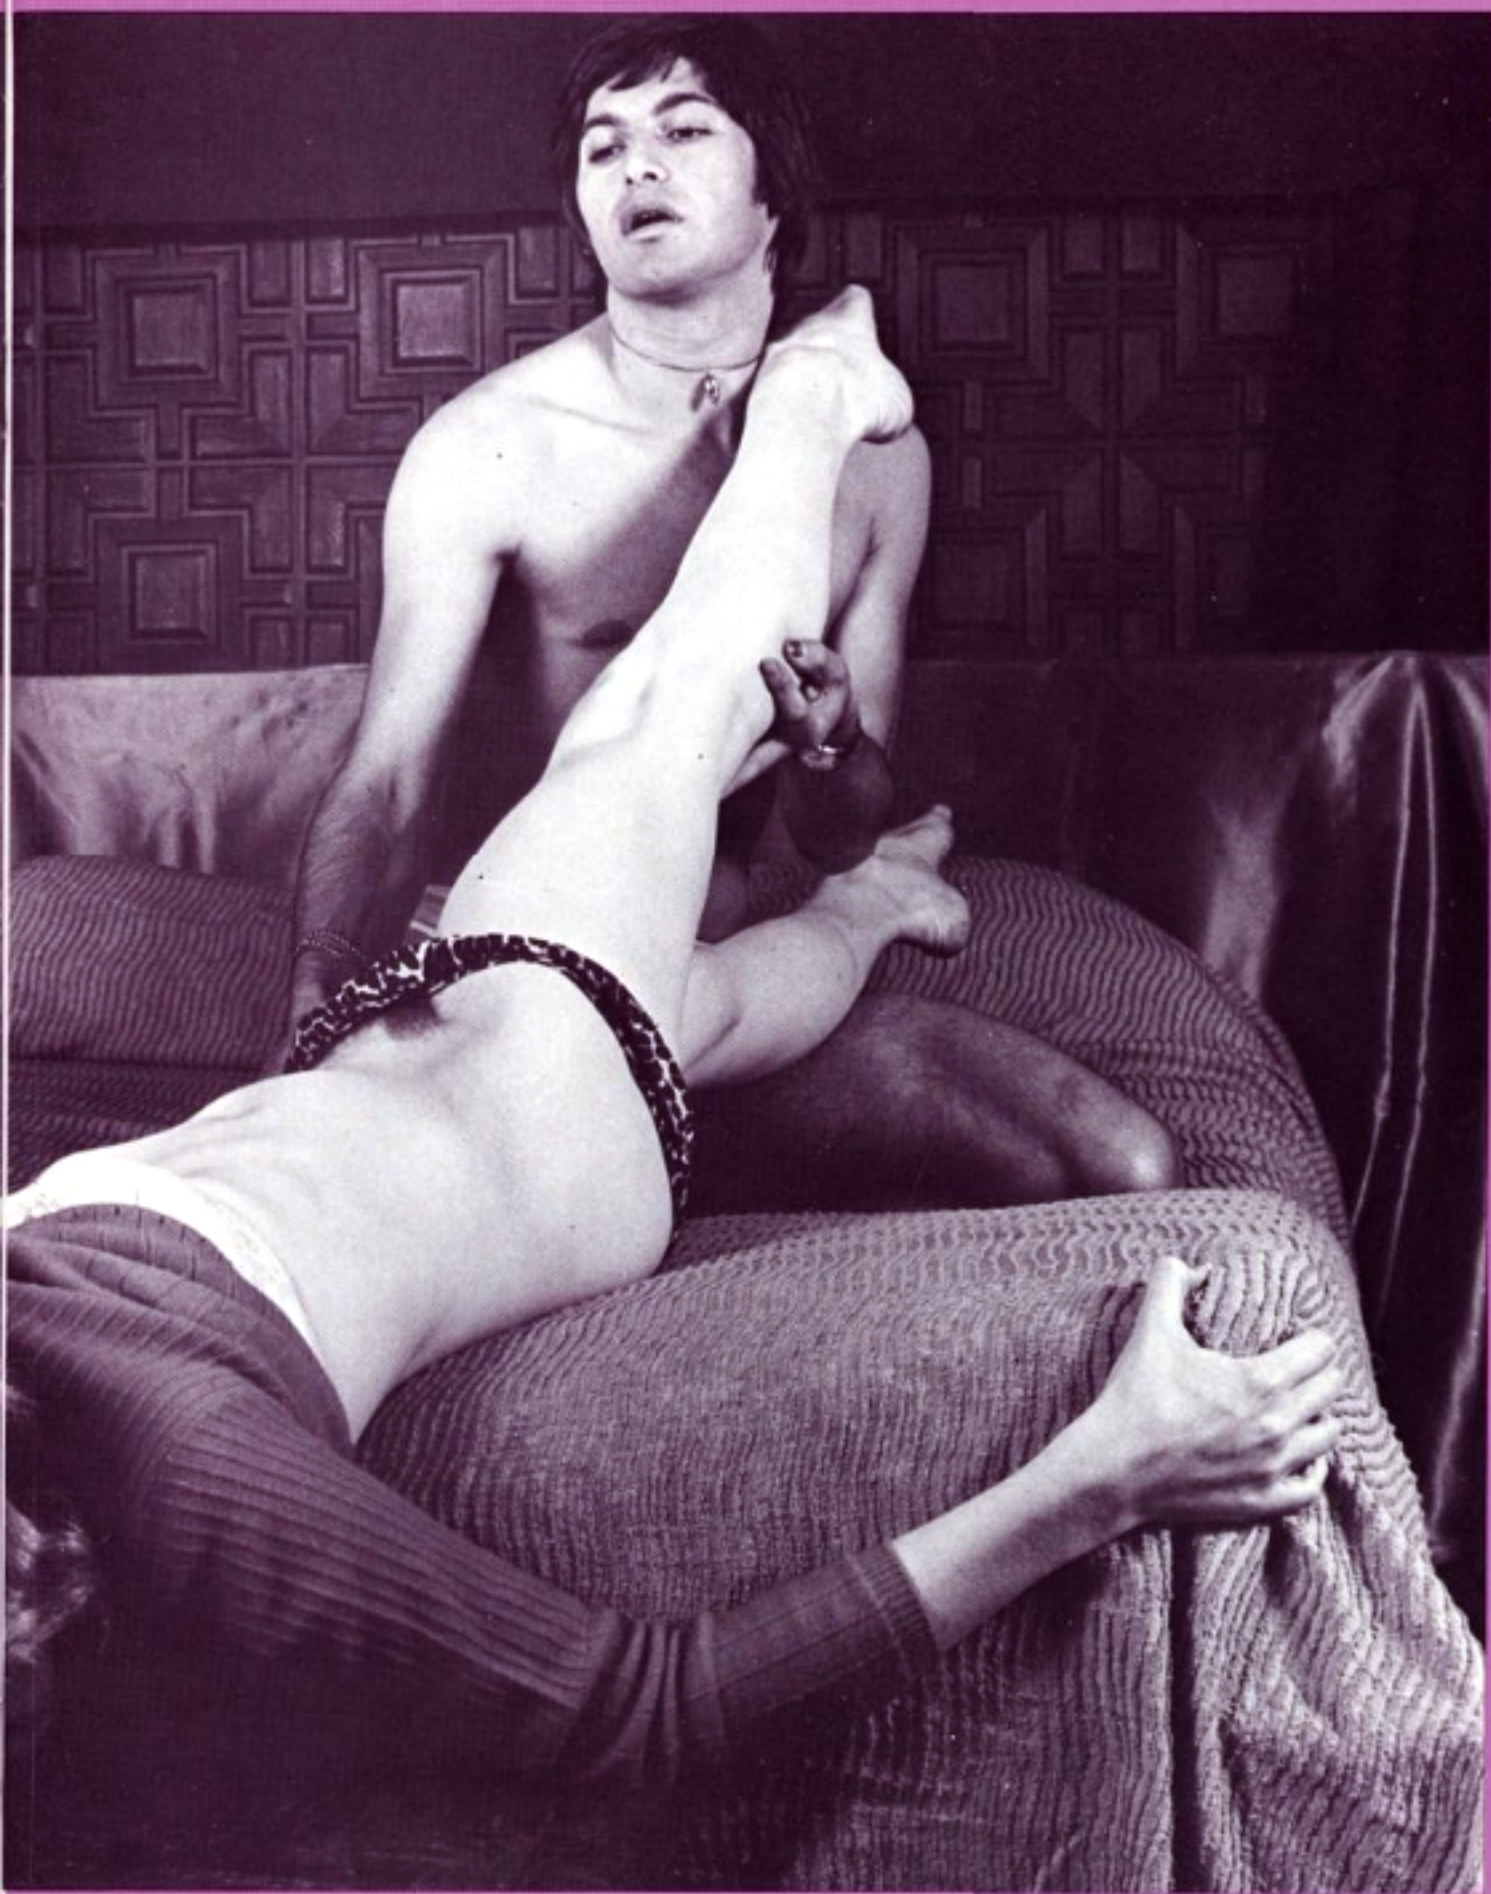

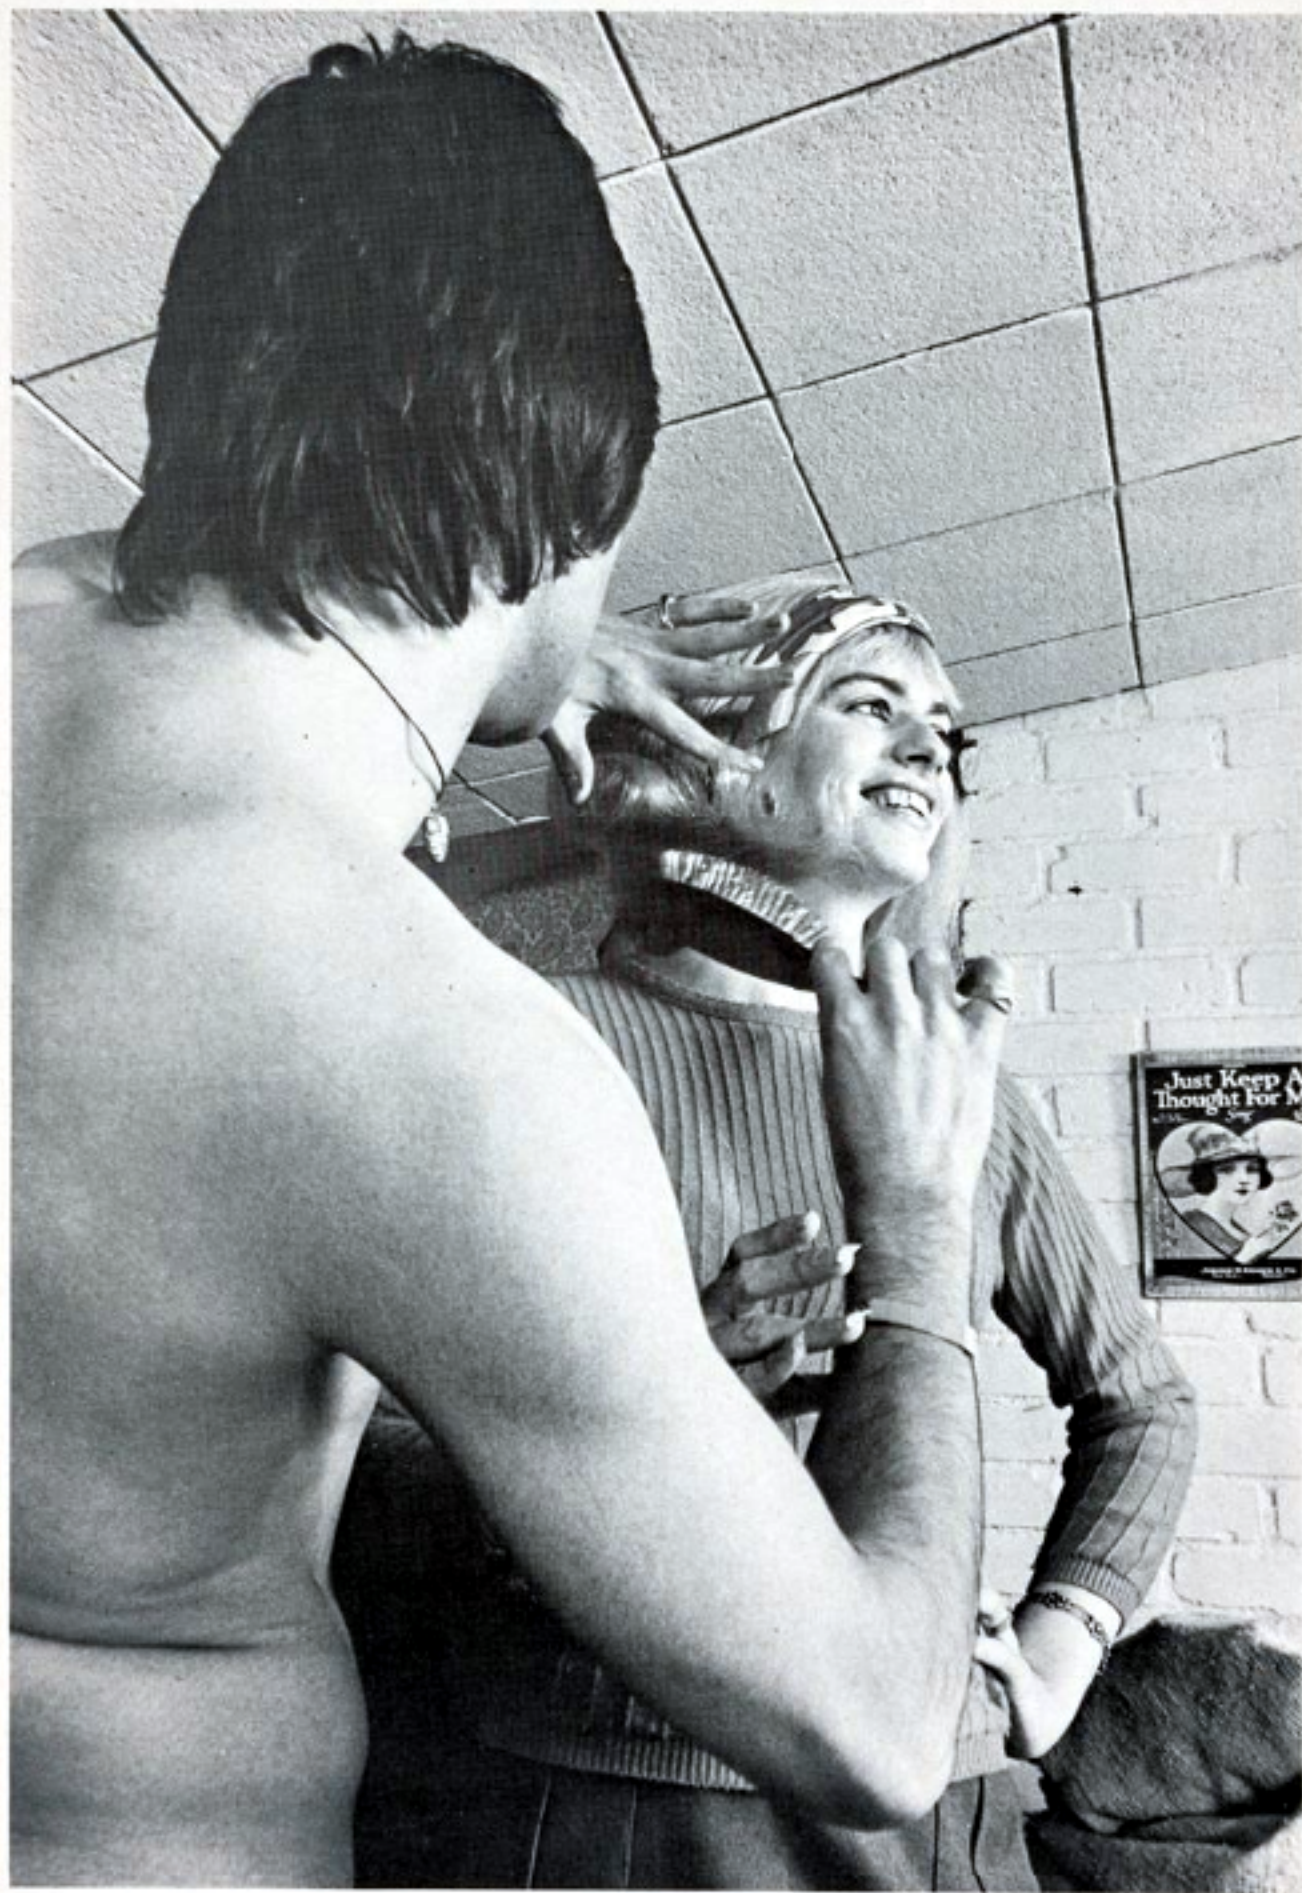

July 11

Dear Diary,

Coffee after a wild "carefree" night, hits the spot. Our apartment is groovy. Lots of glass. Even the phone is cool!

...C.A.Y

July 21  
Dear Diary,

It does not matter. Sex with a male companion is sheer delight. My legs have never been caressed like my lover does it.

July 22  
Dear Diary,

It is just super. He told the landlord . . . from now on put both apartments on one bill! Biloxi, I will never, never be back.

July 23

Dear Diary,

Our love sessions are getting wilder and hotter. What should I do? He seems to dig my girl body and man goodies. I must have "it" taken off.

July 24

Dear Diary,

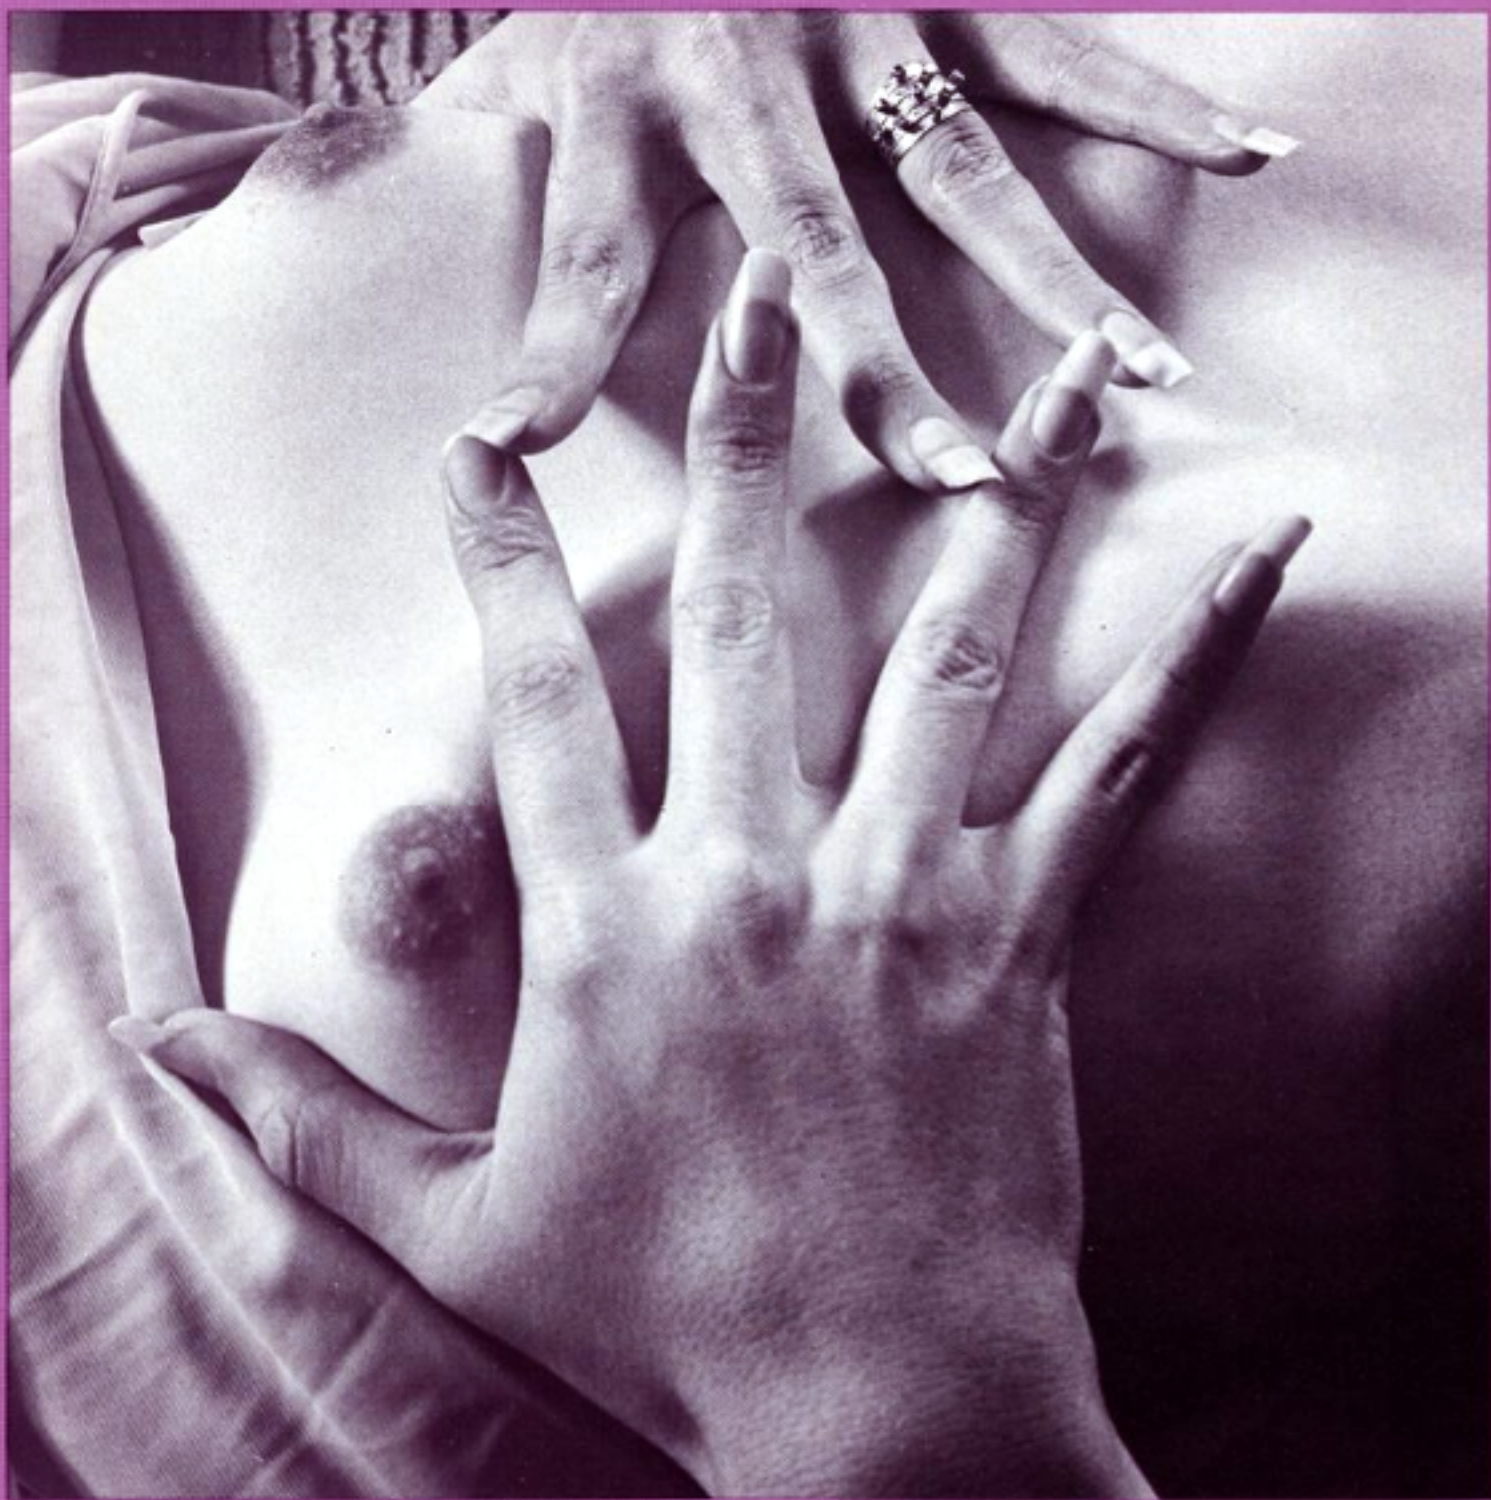

He said it was really the biggest thrill he had ever had. His initial shock was soon overcome with sexual curiosity. My hair-dresser could not take his eyes off my lovely dingus?!

July 25

Dear Diary,

He says, let's have the best of two worlds.

July 26

Dear Diary,

No bragging, but my hands are as lovely as any female's. If I could only have larger breasts!?

Dear Diary,

My hero gets his jollies doing my golden locks. Stroking time after time seems to give him sexual satisfaction. Every now and again he looks at my "secret." I can see the look in his eyes . . . lust and desire.

July 27

Dear Diary,

The thigh's the limit. He did everything to me. Gosh, I am almost embarrassed.

July 28

Dear Diary,

I am really lapping up this life here on the West Coast. Seems I just lay around in my gorgeous pad most mornings. Waitin' for him to enter my life.

The apple's a myth you've been readin'  
About in the Garden of Eden.

'Twas a cherry, in fact,  
Yes, a cherry intact,  
That started us humans to breedin'.

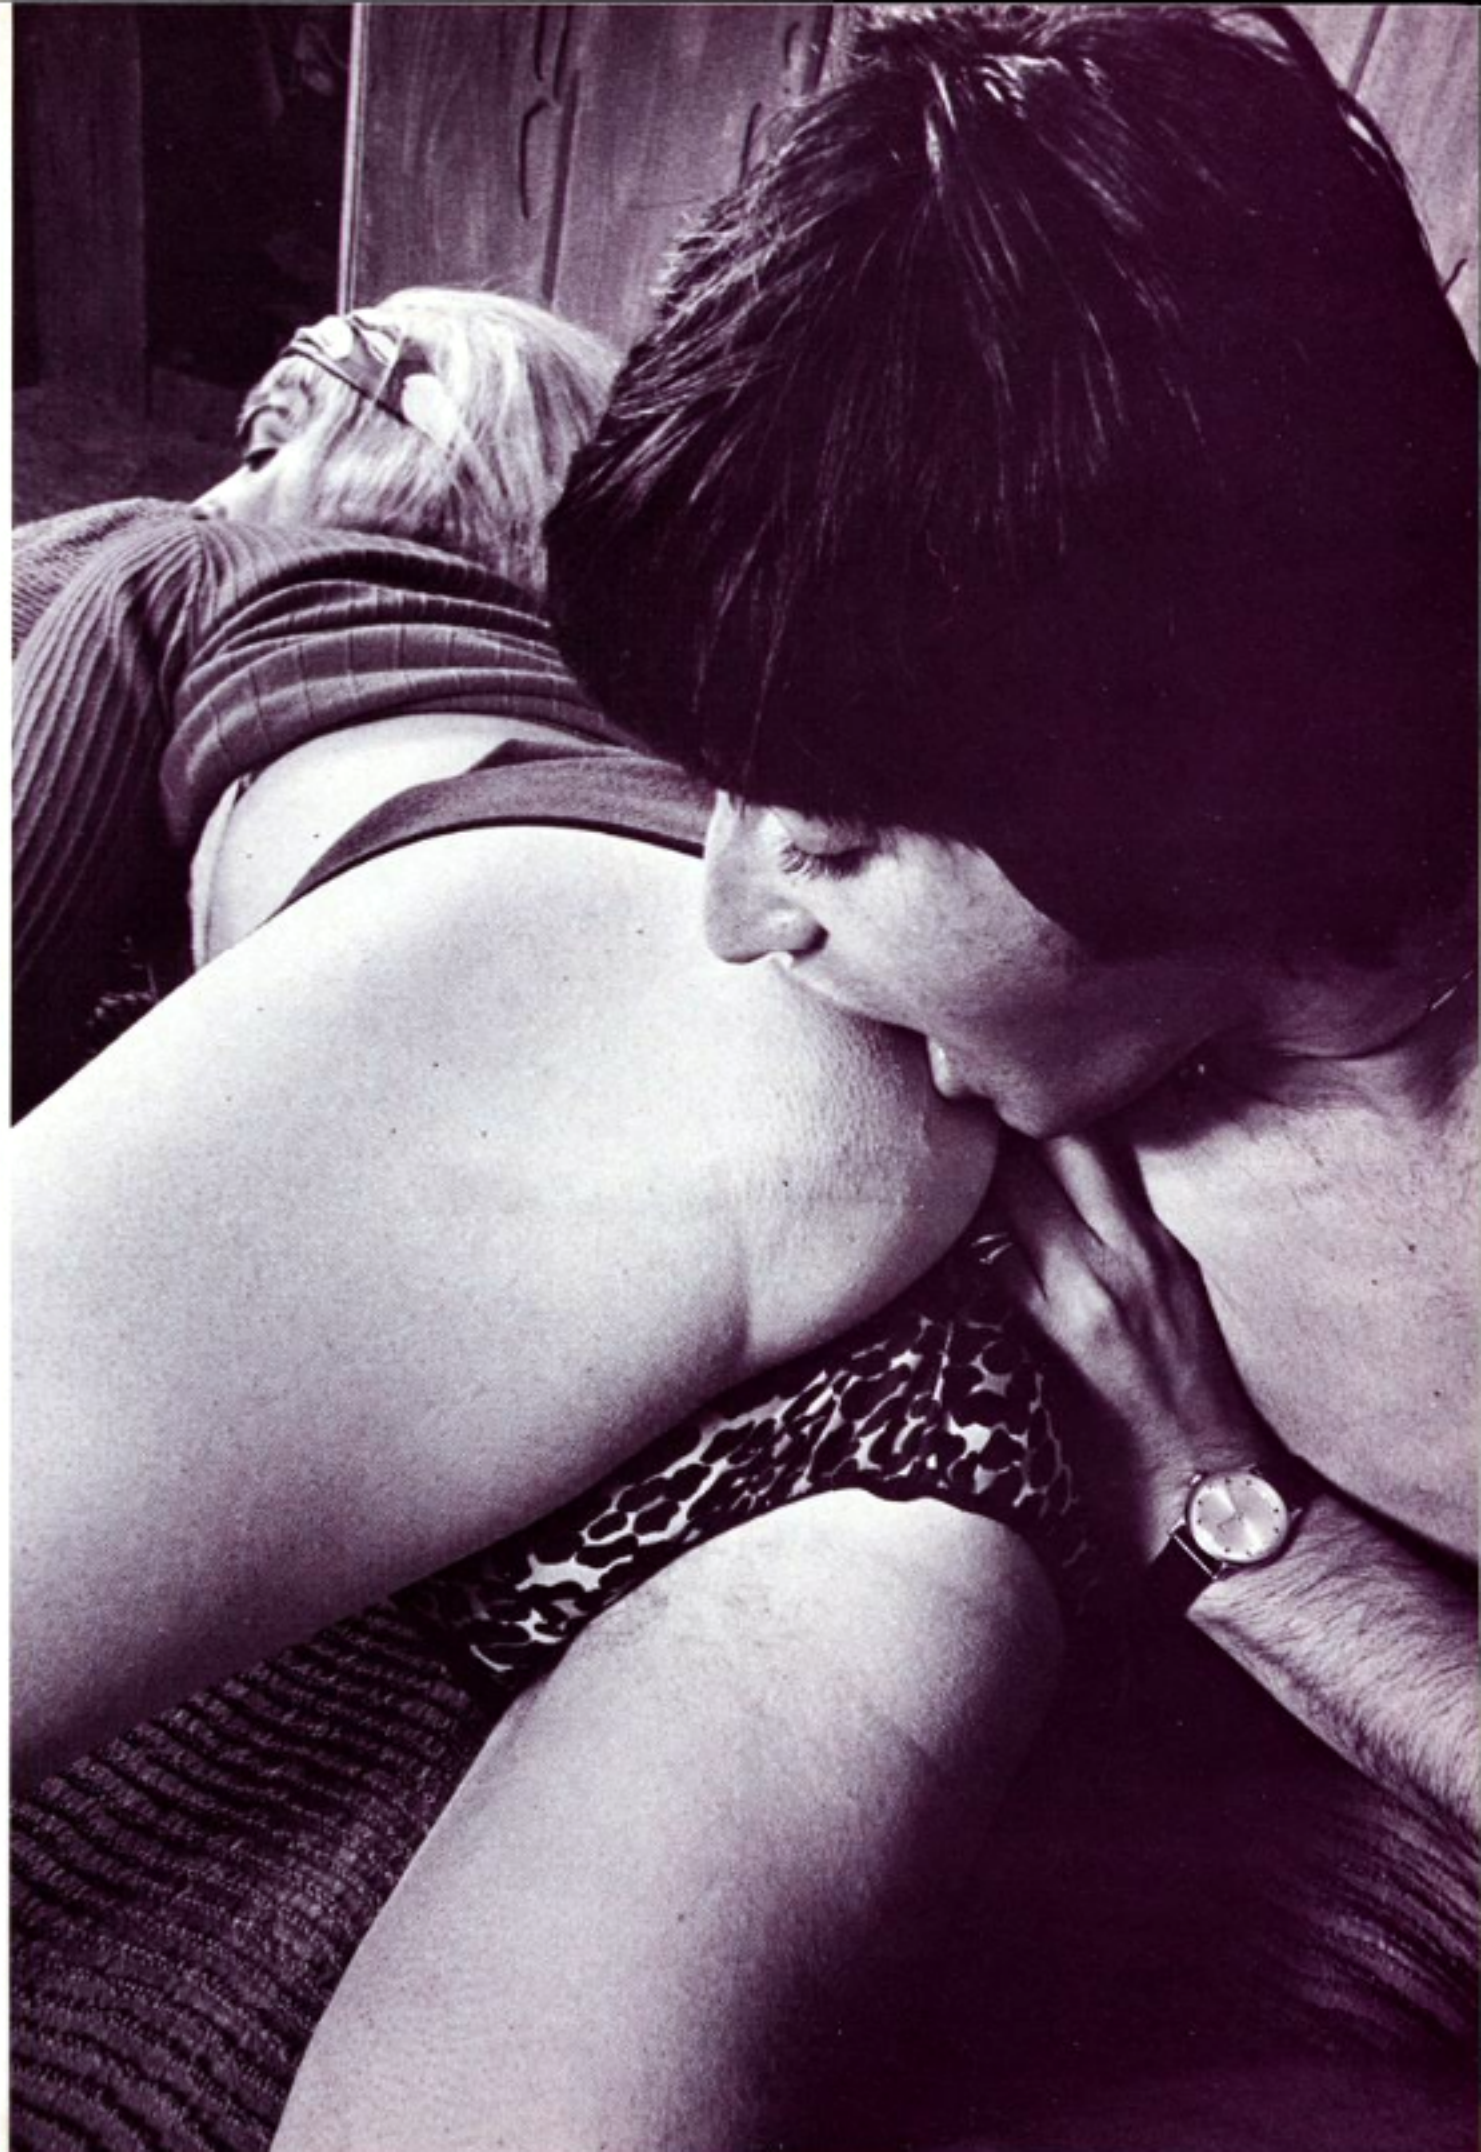

Mary had a little lamb,  
It followed her to sleep.  
The lamb turned out to be a ram . . .  
Now Mary's full of sheep.

July 29

Dear Diary,

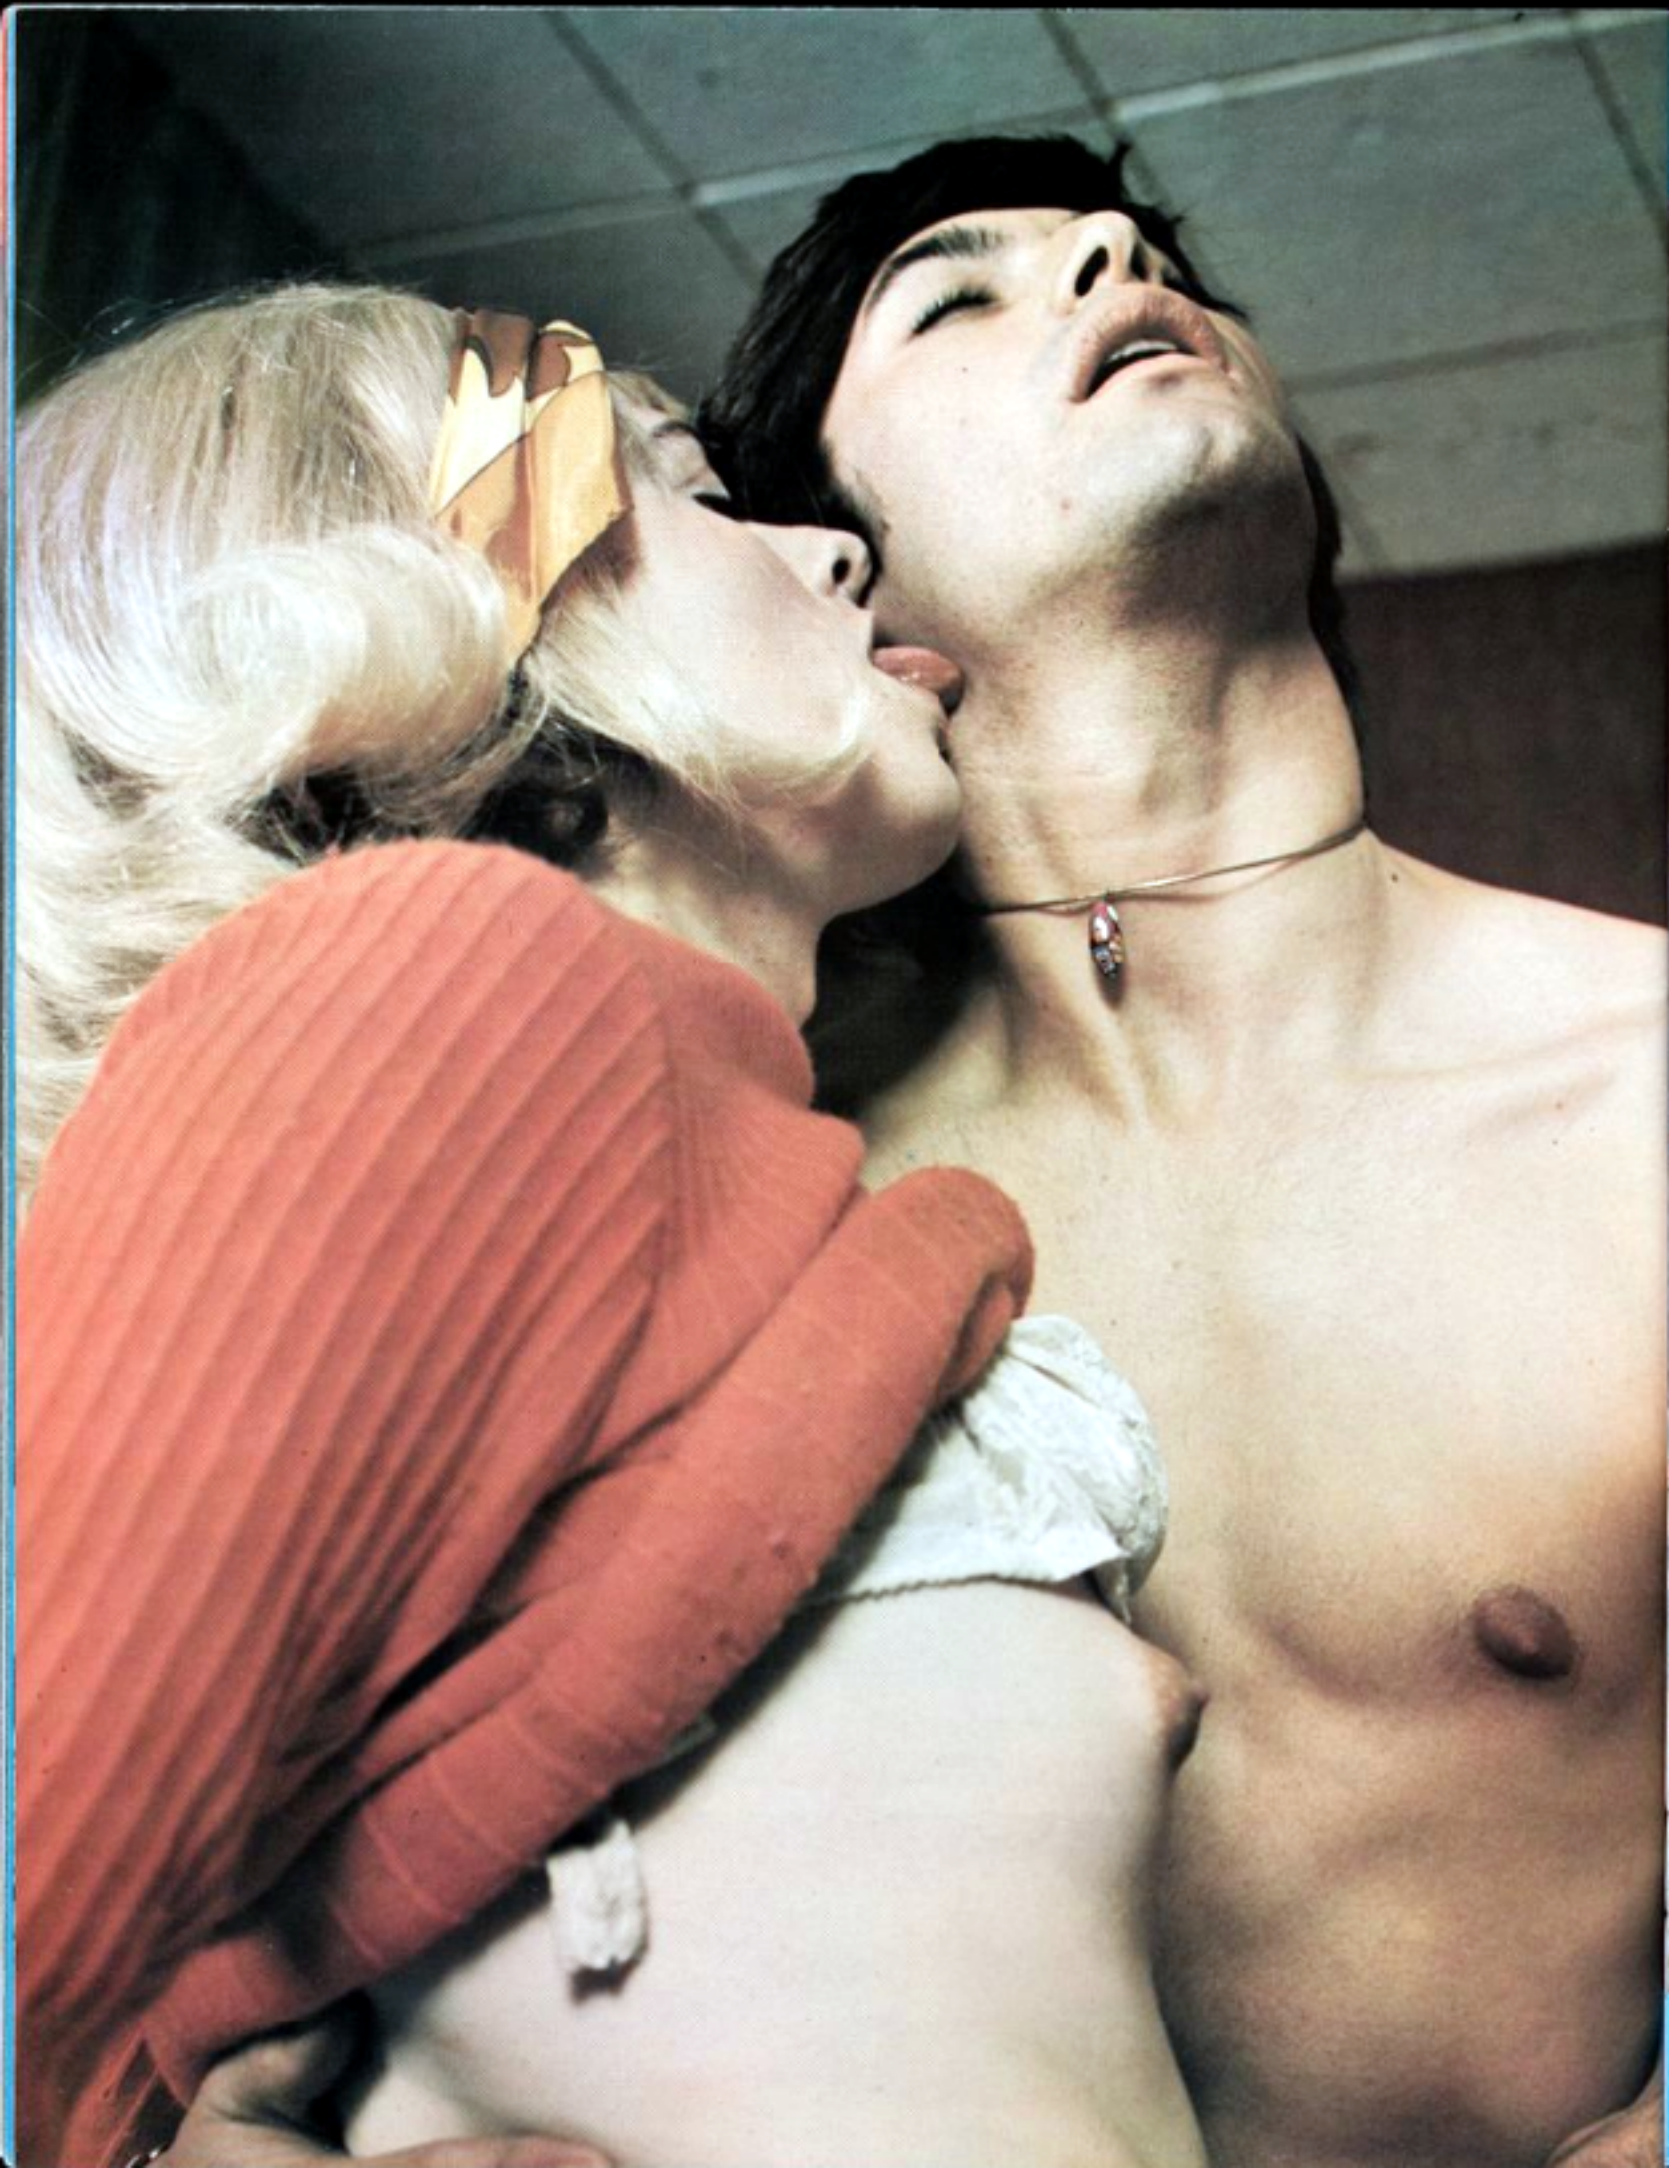

This is truly the living end. Must remember to get some skin cream this afternoon. Yes, the Greek arts are his favorite subject. They don't know what is really going on in Biloxi.

August 4

Dear Diary,

Now this damn hot, sultry weather is here. But it is much nicer than Biloxi. It is really not too bad. He keeps rubbing that expensive perfume all over my hot body.

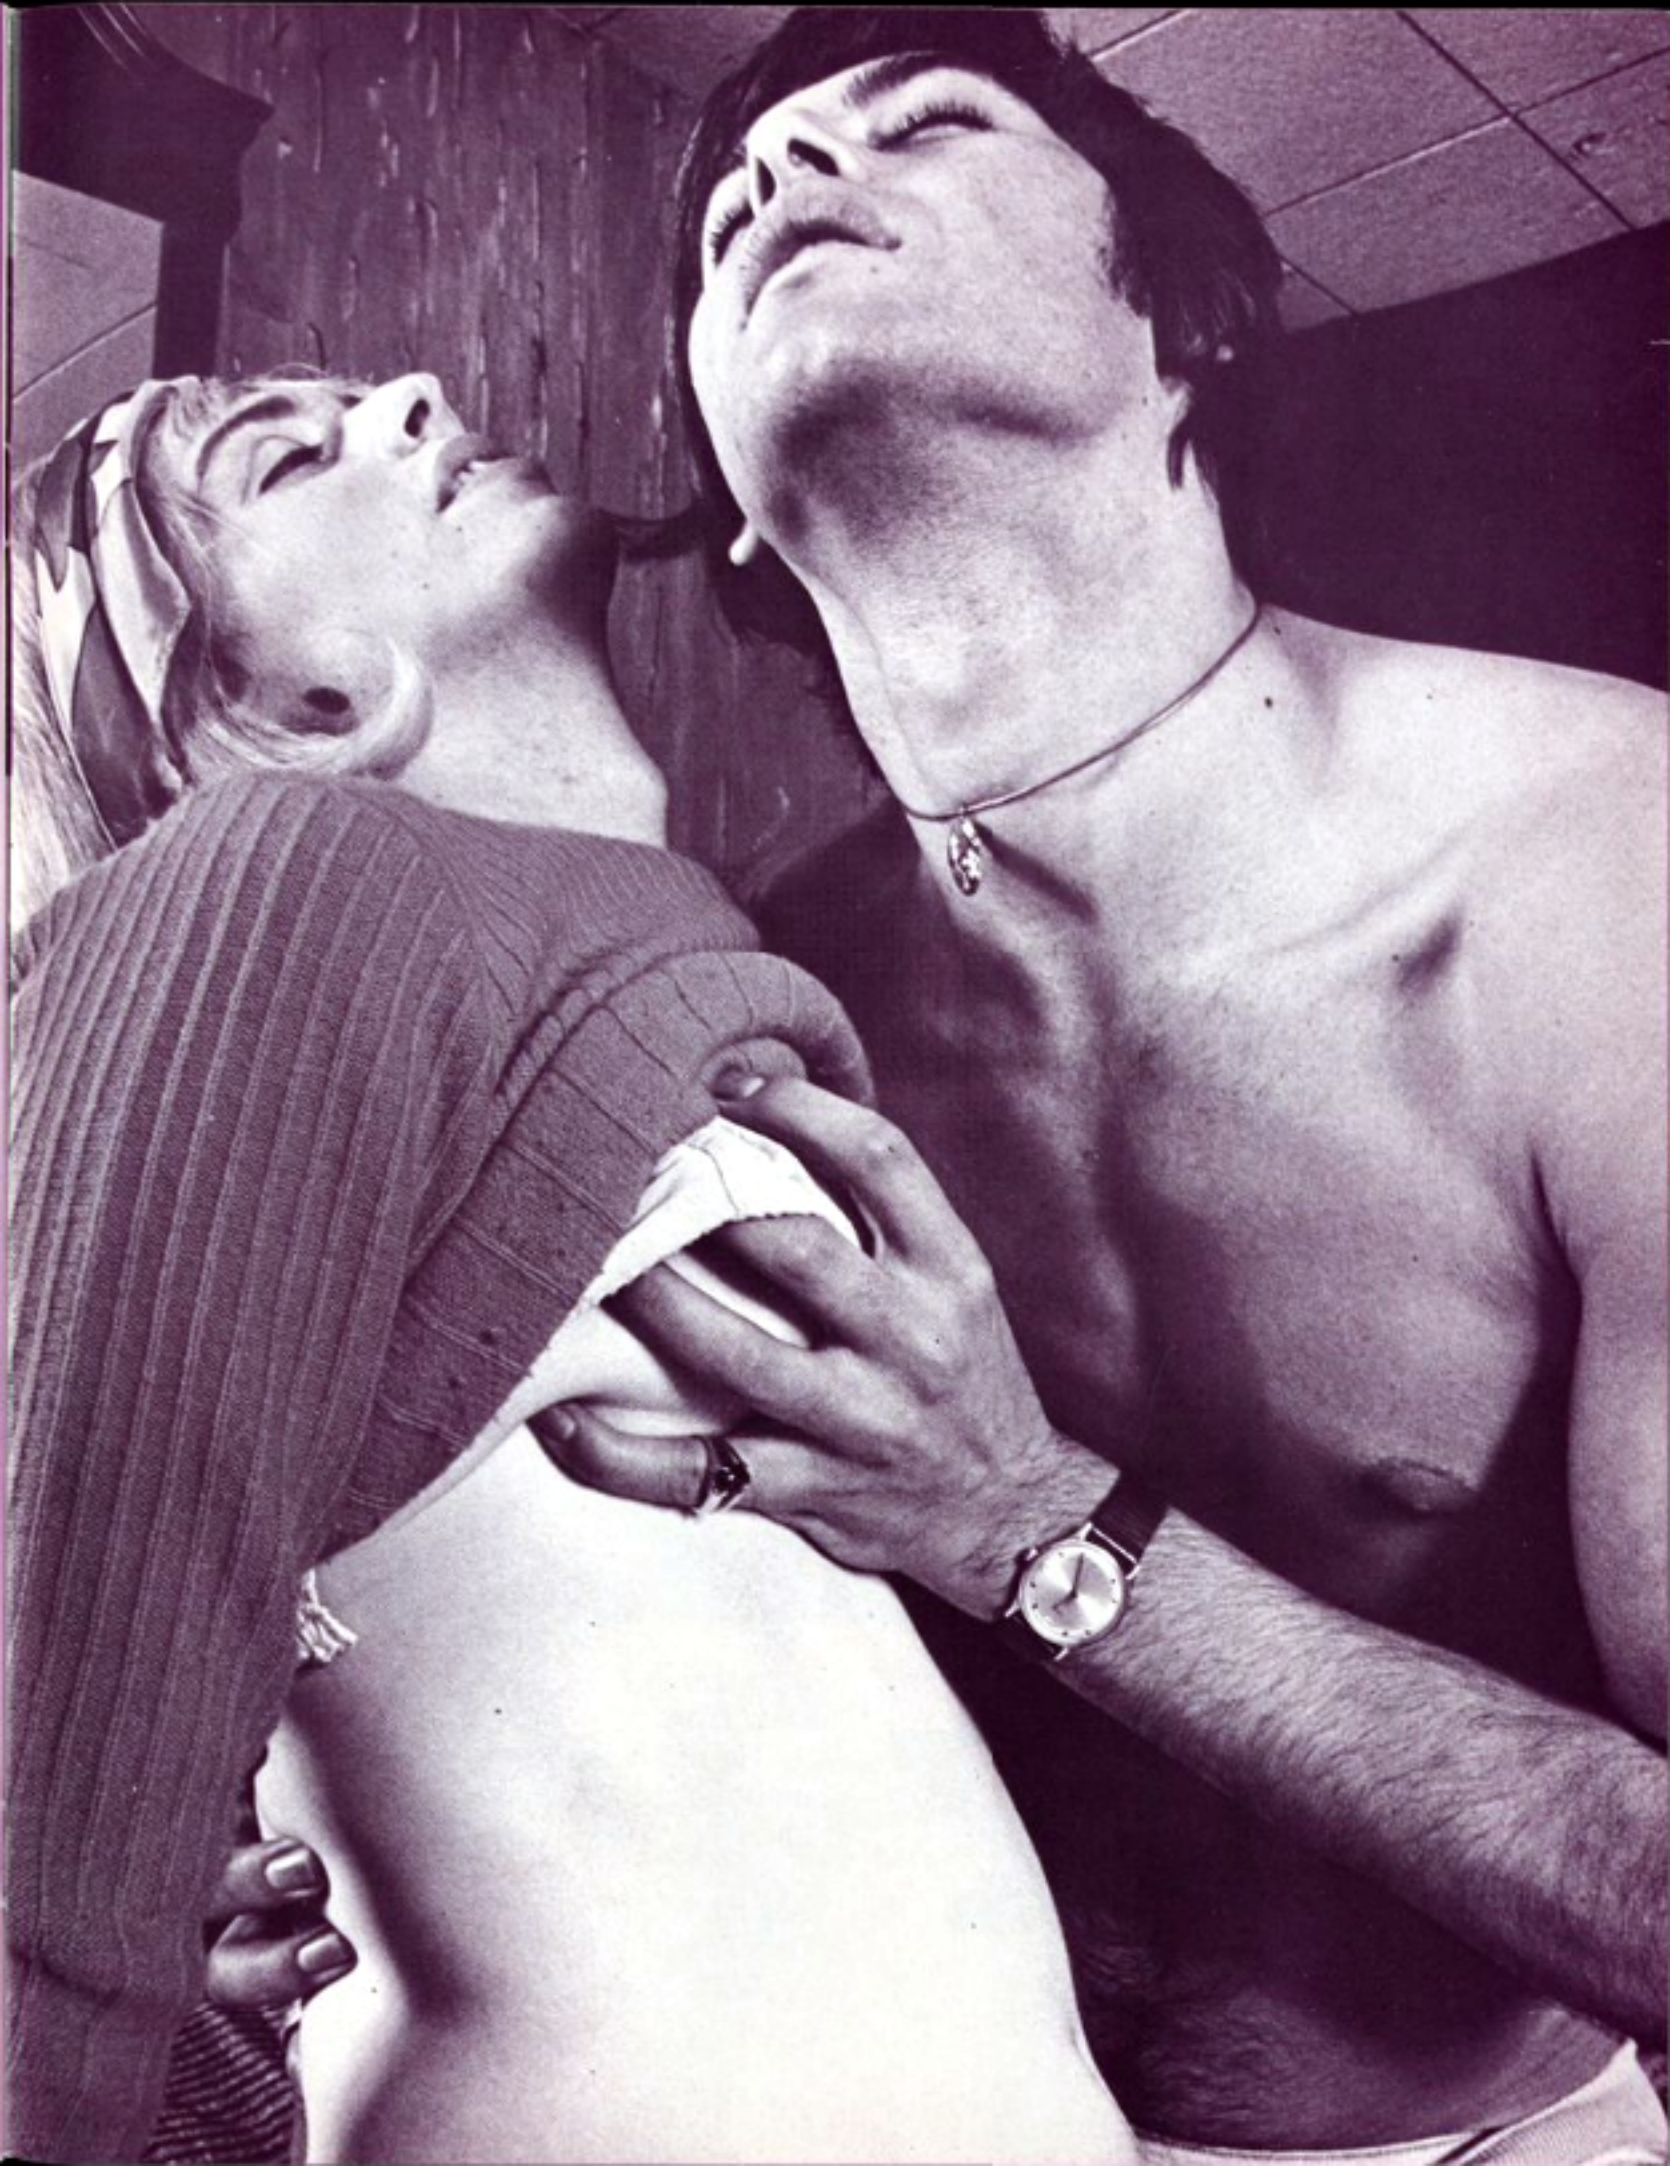

# GAY

August 6  
Dear Diary,

He did it again, just two hours ago. I am still not fully composed. When my lover loves . . . it is complete.

August 7  
Dear Diary,

Going to sleep all day . . . pooped!

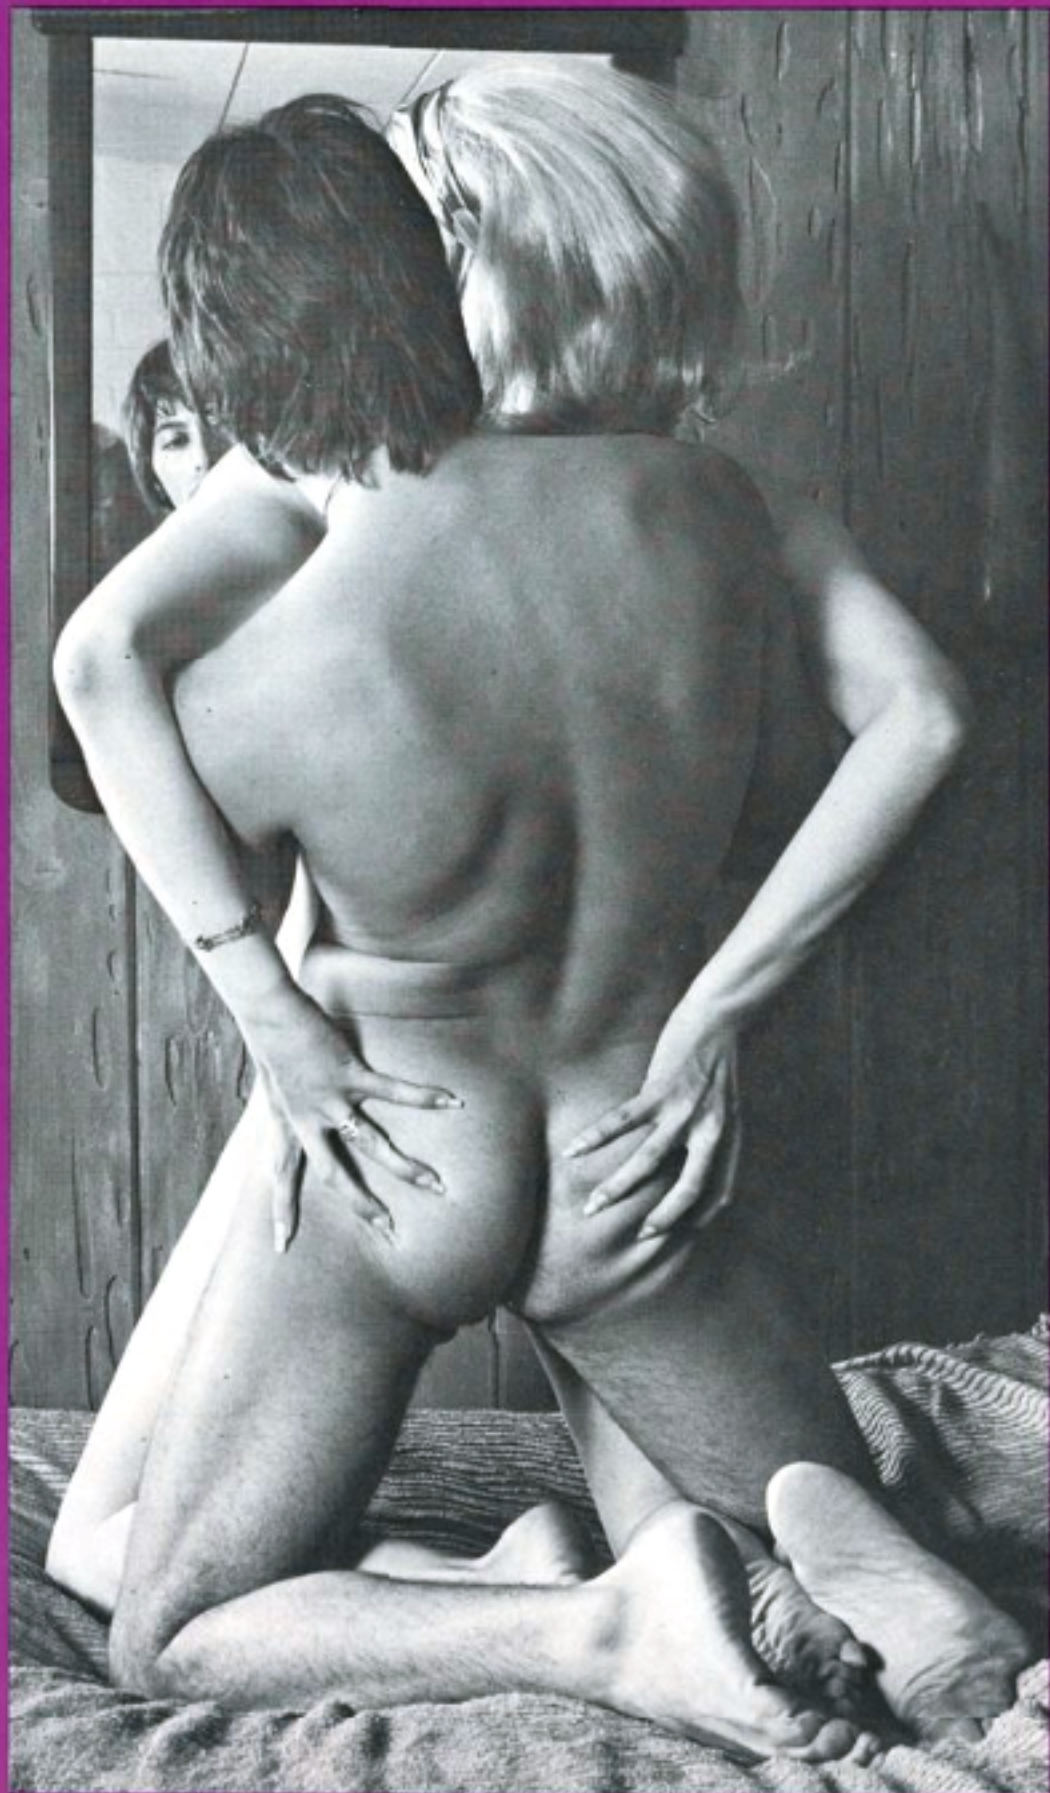

# GAY

August 20  
Dear Diary,

He just cannot leave me alone. It seems to be an obsession. I keep changing panties to keep his interest. (As if I had to.)

August 22

Dear Diary,

I adore dressing up. Having my golden tresses combed. Having my dingus . . . well, I won't say. Biloxi, I am sure glad I left!

September 3

Dear Diary,

It was a long, hot summer, but not the weather. My lover is "growing" better with the passing of each day. Gee, I wish I had left Biloxi years ago!

September 5

Dear Diary,

When we were not in the bedroom, which isn't often! I went to some Hollywood studios. Casting said they thought I had very good prospects for a good role in one of their new pictures.

September 7

Dear Diary,

As I lay here, I keep thinking of how lucky I've been. The guys like me, the gays love my body. In fact, I love my crazy body. And I know I'll never go back to Biloxi!
